

Baldivis District Football Club

Dear Sir/Madam

Baldivis Districts Football Club is a non-profit organization managed by dedicated volunteers who tirelessly provide their assistance and time throughout the year. Our major source of revenue comes from membership fees and donations from generous individuals and sponsors.

This year we have 14 teams ranging from HUBS, Mini Roos, Juniors, two women's teams and a Men's Social team. It is a big expense to give the kids all the equipment and kits they need.

We invite you to be part of our club culture, one that strives for success for all its players, members and sponsors. In order to make this experience a reality for all, we are giving local businesses the opportunity to help make the dreams of all our players come true by sponsoring our club.

When you become involved in supporting the Baldivis Districts Football Club, you are linking your business with all of our activities both on and off the field. We are committed in providing you benefits through networking and marketing exposure as well as social benefits enjoyed by being involved with our football club.

While playing football is an exciting and fun activity for all involved, engaging in this sport does carry some costs. Your sponsorship will help lessen the financial burden for the Baldivis Districts Football Club and the players in paying for expenses that are incurred during the year including, but not limited to, game and practice equipment, referee fees, training costs, kits, electricity, insurances and facilities.

We are confident that your contribution as a sponsor of this newly established and successful club will yield significant benefits, not only for your business but also to the players associated with Baldivis Districts Football Club. Enclosed are some very attractive sponsorship opportunities for businesses to consider and be part of what is the newest and most exciting soccer club in the Peel region.

Should you require any further information regarding our sponsorship opportunities please do not hesitate to contact the club.

BDFC President
