## Bunnings Sausage Sizzle

We are a grassroots sporting club and one of our best ways to fundraise is through holding sausage sizzles at the Bunnings in Baldvis. Not only is it a great opportunity to raise some money for the club, we also get to be proudly seen as part of our Baldvis community.

Our next sausage sizzle is scheduled for the **Saturday the 23rd of March, from 8:00am until 3:00pm** (or when the snags run out!).

These sausage sizzles rely on our BDFC community volunteering some of their time. **If you are able to spare an hour or two at our next sausage sizzle, please email [secretary@baldvisdistrictsfc.com.au](mailto:secretary@baldvisdistrictsfc.com.au) so we can put you on the roster.**

We rely on these sausage sizzles to raise much needed funds for our club and any time you can spare will make a big difference. Thank you!

## Coaches

The Baldivis Districts has grown significantly since the 2018 season, with several new teams added.

We would like to thank the coaches who have either returned or stepped up this season - we couldn't do it without them!

## Baldvis Districts Sporting Complex

Recently Baldvis Districts FC was invited to the official announcement of the State Governments \$1.5 million pledge towards the new Baldvis Districts Sporting Complex. This fantastic Complex represents just some of the much needed infrastructure planned for the Baldvis area.

It should be noted that we were invited at relatively short notice to represent, not only our club, but all sporting bodies within the Baldvis area. Our attendance there does not in any way suggest that we will be moving there once completed and we as a club fully expect, perhaps deservedly so, both Baldvis Brumbies Football Club and White Knight Cricket Club to be the eventual tenants.

However, as a club we represent our members and we would not be doing them justice if we did not express our interest and intent to move to such a facility or something similar in the near future. This is why in the last week of February we handed Rockingham Mayor Barry Sammels and Rockingham Council CEO Michael Parker the clubs strategic plan. We are excited for what this complex brings to the area, and look forward to more playing space becoming available to the many local user groups.
